SITUATION SUMMARY

Bus Accident, Blythe, Riverside County

Current Status: The eastbound and westbound traffic is fully opened from the Junction of US 95 to Riviera Drive in Blythe. Red Cross staff is on-site at Blythe City Hall which is being used as Reception Center for uninjured passengers and those being released from the hospital. Riverside County Behavioral Health is sending staff to assist. A bus company representative is on-site and will be coordinating transportation for those passengers who can continue on their travels.

Situation Overview:

On May 21, 2014, at approximately 0256 hours, the California State Warning Center received reports of a tour bus that overturned. At approximately 0216 hours, a big rig jack knifed into the center median while traveling on Eastbound I-10 causing it to lose its load of pipes. Some pipes traveled into the WB lanes affecting a tour bus causing it to overturn. It is currently unknown if the pipes struck the bus or if it swerved to avoid them.

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought
- Today's electronic readings record snowpack water content at only 6% of normal for the date.

California OES Weekly Weather Threat Briefing

05/22 – 05/28

Thursday

- Isolated thunderstorms over the Sierra and southern CA mountains
- Lightning will cause a slight increase in fire weather concerns

Friday - Sunday

- Drier and warmer conditions with no significant weather hazards

Monday-Wednesday

- Cooler with windier conditions especially over the northern portions

FIRE ACTIVITY

Southern California

San Diego Complex, CA-MVU-010242, Northern San Diego County ([Final Report](#))

- Cal Fire IMT – 4 transitioned back to Type 3 organization.
- 2,436 acres, [96% contained](#)
- Jurisdiction: LRA/SRA
- No structures threatened, 6 damaged, 43 destroyed

Significant Activity

Northern California

Interstate 280 Bridge Hinge Replacement Project/ Closure:

The California Department of Transportation will close southbound Interstate 280 from downtown San Francisco to the Pennsylvania Avenue on-ramp. This closure is necessary in order to replace one bridge hinge on southbound I-280.

The first closure is scheduled for the Memorial Day weekend. Southbound I-280 will be fully closed between downtown San Francisco and the Pennsylvania Avenue on-ramp.

Full southbound closure is scheduled to begin Thursday, May 22 at 2100 hours
Full southbound closure is scheduled to end on Tuesday, May 27 at 0500 hours

Southbound on-ramp closures include:

- Mariposa Street/18th Street on-ramp
- 6th Street/Brannan on-ramp
- King Street on-ramp

Detour: In general, southbound I- 280 traffic will detour to U.S. 101. Mariposa Street and 18th Street traffic can also detour to the southbound I-280 Pennsylvania Ave. on-ramp.

Note: Northbound I-280 will remain open over the Memorial Day Holiday Weekend.

CAL OES DROUGHT ACTIVATIONS

Cal EOC Incident – 2014 Drought

- The SOC is activated at Level 2 in support of the Drought State of Emergency from 0800-1700 hours daily.
- The Inland REOC is activated at Level 2 from 0800-1700 Monday through Friday or as needed.
- The Southern REOC is activated at Level 1.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is 0800-1700 hours.

Cal EOC Incident – 2014 Drought

Situational Summary

On January 17, 2014 Governor Edmund G. Brown proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for drought conditions. The State Operation Center (SOC) is activated to implement objectives in support of the Governor's priorities. The lack of winter rain and snowfall has resulted in extremely dry conditions in many parts of the State. Reservoir levels are down significantly from where they should be on average for this time of year. If conditions continue without substantial rainfall, severe impacts to municipal water supplies, agriculture (plants and livestock) and firefighting capabilities are likely in store for the State over the next few months. Negative economic impacts will also result.

****As our state's rainy season comes to an end, it is highly unlikely that precipitation totals will increase significantly. This winter's below average rain and snowfall worsens conditions in this third straight dry year.***

The drought could result in severe impacts to the municipal water supplies, wells, agriculture (plants and livestock) and firefighting capabilities for several months. The SOC continues to be activated to monitor the situation statewide, and support regional and local operational areas.

Situational Summary (Cont.)

- The Taskforce continues to meet regularly to take actions that conserve water and coordinate state response to the drought.
- The final manual snowpack survey of the season was conducted on Thursday (May 1) and showed California snowpack at 18% of normal. [And today's electronic readings record snowpack water content at only 6% of normal for the date.](#)
- DWR has announced that water essential for health and safety will be delivered through the state water project. [The current State Water Project Allocation is 5%.](#)
- Cal OES continues to gather drought-related costs from state agencies and local governments.

OF EMERGENCY SERVICES

CAL OES MISSIONS

Ongoing Cal OES Missions

- **2014-LAW-2798** El Dorado County is planning an in-county SAR exercise on 07/15/14 for their volunteers and have requested the assistance of the California National Guard (CNG) aviation assets to support the exercise. Elements of the exercise will include an orientation to the various CNG air assets (H-72, H60 and CH47), hoist training, patient packaging for air evacuation and ground team insertion and extraction training.
- **2014-LAW-2679** The 95th CST will provide Joint Hazard Assessment Team support in support of SFPD's Special Operations Bomb Squad at the 2014 Bay to Breakers Marathon. Radiation detection teams will survey background levels of radiation as part of the overall security plan. The 95th deployment will include advanced planning and pre-positioning prior to race day.
- **2014-LAW-2483** The 95th CST will provide area monitoring, secure communications, and WMD expertise for the IRL Racing Event at Sonoma Raceway August 22-24, 2014. They will assist with advanced planning and be pre-positioned prior to the start of the event.
- **2014-LAW-2481** The 95th CST will provide area monitoring, secure communications, and WMD expertise for the NHRA Racing Event at Sonoma Raceway July 25-27, 2014. They will assist with advanced planning and be pre-positioned prior to the start of the event.
- **2014-LAW-2478** The 95th CST will provide area monitoring, secure communications, and WMD expertise for the NASCAR Racing Event at Sonoma Raceway June 20-22. They will assist with advanced planning and be pre-positioned prior to the start of the event.

CAL OES DEPLOYMENTS

Southern California

- Cal OES Recovery has sent the following personnel to San Diego to assist with recovery activity for the San Diego Wildfires – return dates as follows:
 - David Gillings and Clyde Muroka, Public Assistance Division [returning by the evening of 5/23](#)
 - Melinda Stehr, Technical Assistance Program Debris Specialist [returning by the evening of 5/22](#)
 - Lidia Armas, Individual Assistance Division [returning by the evening of 5/21](#)

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
